SKILLS

Programming: C Programming, Java
Frontend: HTML, CSS
Backend: Java, Spring Boot
Database: MySQL

PROJECTS

Piezoelectric Energy Generation *6 weeks*

- Developed an interdisciplinary project based on piezoelectric energy generation.
- Explored the conversion of mechanical pressure into electrical energy using piezoelectric materials.

EXPERIENCE

Fresher

ACHIEVEMENTS

- Secured **8.0 SGPA** in the second semester.

EDUCATION

Bachelor of Engineering (B.E.) – Electrical and Electronics Engineering *2025–2028*
Adichunchanagiri Institute of Technology (AIT), Chikkamagaluru, India
CGPA: **7.35**
